Easily Defeats Hilec and Thane in Mississippi Valley Selling Handicap.

### THREE RACES FOR T. P. HAYES.

Flying Torpedo's Entry Refused on Account of Poor Showing -Six Shooter Loses by a Head.

The Hayes stable was the feature at the Fair Grounds yesterday. Not only did the Kentucky turfman win the Mississippi Valley stake with Orient, but he carried off two additional races with Ice Water and Dolly Grey. In all, Hayes won \$2,750. in purses alone, in the course of the after-

Coming with a rush at the stretch turn. Orient won the Mississippi Valley Stake. eastly carrying off first money from Hilee and Thane.

Held at odds of 23 to 5 in the betting. the Hayes entry was hardly considered a dangerous factor for first money. Hiller was favorite throughout, the next heaviest play going in on Charles Thompson. Thane was well liked and the Haves entry was held at a price approximating 419 to 1. At this figure, the entry received some play, two filles, Mafaldo and Orient, eatching a lot of support from the holiday crowd. Mafaida, on the strength of her recent good race, seemed to be the medium with which the average backer of the entry expected to land his money.

From the running of the race, however, It seemed as if Mafalda was in the stake to take care of Thanc. She certainly bumped the Milam gelding badly at the stretch head, carrying him wide when it seemed that her rider should have been ting a winning lead on his field.

Hiles was the pacemaker, as was to be expected. The old gelding was knocked about a lot at the post on account of the fractiousness of There, who persisted in building every horse that he could reach. When starter Dade finally spring the gate to a good start Charley Thompson got a bit the best of the go and went sailing around the first turn a length to the good. He did not stay there long, however. Hiles caught him promptly, bassed him like a flash and showed the way down the back-stretch, running as if the event was all over. Thompson hung on for the first half mile, then ecclided he had enough and passed up the job in favor of Orient and Thane.

much for the victory of the Bennatt entry as for the really creditable performance Dishabille put up. Practically left at the post, the filly went around her field, made up a loss of at least fifteen lengths and linished the strongest kind of second to her stable mate, Lucky Charm.

The latter ran a first-class race and is evidently a colt of class. He has been improving with every out and is a strong testimonial to the manner in which Mickey Shannon has handled the Bennett stable since he obtained control of the Memphis turfman's string.

Lucky Charm ran the six furiones in 1:15 over a fair track. This is a first-class snowing for a youngster, considering the weight he packed. From the manner in which Dishabile made up ground, it would appear that she covered the same distance in about 1:14.

ICH WATER LUCKY.

ICR WATER LUCKY.

Ice Water was lucky to win the sixth race. Six Shooter was about forty pounds the best and it was entirely due to the inadequate handling of Jockey L. Wilson that the Respess horse lost his race. The event was one of several occasions when this boy has allowed his mounts to drop so far behind their field that they have no possible chance of victory. As usual, he came with a wild flourish in the stretch, but Iropped his whip when his mount seemed within striking distance of the leader. He lost by a head.

Jack Young won the fifth race under an able ride from D. Austin. The Republic tipped Flying Torpedo to win this event. The performance of the horse was such that his entry will be refused at the track hereafter. He was last by many lengths, after running a fair race his last out.

Dolly Grey won the lest event on the

Dolly Grey wen the last event on the card in rather handy fashion.

Miss Manuers showed marked improvement over her last out and came home handly enough in the second.

A Lady, held at long odds, won the second event on the card.

margin of advantage. Hilee evidently missed the vigorous finishes Troxier was secustomed to put up on him, and wabbled badly when Anderson commenced to ride. Orient, under fair handling, by W. Davis, came along without trouble and won by an easy margin.

Thane looked dangerous at the stretch head, but Austin promptly took Mafailds wide, carrying Thane with him. In the nacentime, Orient and Hilee had started down the straight neck and neck and Orient had the most left at the finish. The Hayes filly crossed the line in the van with the Edilott geiding a fair second. There is no bluff to this," said Johnny Mack, as he passed over the coin. "This goes as it lays. I believe Danny Duane some some sum in 1415, excellent time considering the fact that the track could only be classed as fair. Thompson faded away entirely in the run home and finished last.

Rumored in Chicago That Union Track Will Not Be Harshly Treated After All.

## REINSTATEMENT IS REFUSED.

But Next Winter the New Jockey Club May Secure Pardon and Recognition for Season of 1905.

REPUBLIC SPECIAL .Chicago, Aug. 6.—The Western Jockey Club stewards, at their meeting to-day. took action indicating a recognition of the Union Jockey Club track at St. Louis. Captain Carmody, the manager of the track, dropped in on the meeting, but, according to him, it was merely a social call and the stewards declare the St. Louis man asked nothing of them. It looks as if the St. Louis man had come up to Chicago in order to size up the situation and see if the Western Jockey Club officials were, after all, so desparately mad at the "outlaw" track. thinks there are a lot worse things in the world than Union race track at St. Louis. Apparently the matter will not come up for any final decision until next winter. The stewards formally declined reinstatement to persons and horses who had raced at both the Newport and the Union Park meetings and the following licenses were revoked for participation in an unrecognized meeting: Trainers, T. Drumnond, E. J. McCarthy, A. B. Stansbury; jockeyz, Steve Brodle, George Schickel, R. S. Sullivan.

R. S. Suillvan.

J. R. Allen, an owner, was restored to good standing on the Western turf, while the aplications of Jockeys Burt Knapp and Finney Forest were passed to next meeting. The aplications of Jockeys Robert Slater and Frank Huston were demind.

Racing officials for the summer meeting of the Highland Park Club were approved as follows: Charles F. Price, presiding judge; John Morrow, associate judge; Richard Dwyer, and J. Holtman, starters; T. W. Gerhardy, clerk of scales; W. O. Parmer, secretary and handicapper; S. E. Parmer, patrol and paddock judge. J. W. Price was appointed official steward to represent the Western Jockey Club at said megling.

JEFFRIES PLANNING A SHOW. Hopes to Pose as "Champion in Training" at World's Fair. REPUBLIC SPECIAL. Harbin Springs, Cal., Aug. 6.-If Jim Jeffries defends his laurels successfully against Munro's attack he will in all prob-

the Exposition grounds in an exhibition toe Exposition grounds in an exhibition centitled "A Champion in Training."

With the real work of the ring a blank prospect, Jeffries thinks it a good plan to arraine a little show of his own and travel with it. It has been suggested to him that his strong-man stunts with the big "sand baby" would prove highly interesting to the Fair visitors at St. Louis, and in fact, to the public in every section of the country.

in fact, to the public in every section of the country.

The scheme, as shadowed out, is to have a gymnasium scene, fitted up with the "sand baby" as the central figure. It is safe to say that not one man in a million can tov with the weighty but as Jeffcles does, and the champion proposes to have a standing offer to give \$500 to the person who can duplicate his feats of exercise.

There is little fear of other fighter, stealing the turn. Of course, "A Champion in Training" would not be all "sand haby." To see the hig fellow's proportions and watch his thews and muscles working is a sight in itself, while there is not a thing he does that does not seem different from the efforts of other pusilists.

and Big Plungers Made Fortunes on Stable's Victories.

REPUBLIC SPECIAL. Saratoga, N. V., Aug. 6.-In the presence of the largest crowd ever seen at the Saratoga race course, the far-famed colors of James R. Keene, equally as well mown in Europe as America, were borne to the front to-day in the two most valuthis prizes of the meeting, Delbi winning the Great Republic Stakes, first money for which was \$42,000, and Sysonby win-ning the Saratoga Special, value \$14,000. The two stakes, therefore, yellded to Mr. Keene \$5,000, which, added to his previous winnings at this meeting and during the season, makes the Keepe stable much the heaviest winners of the year, a total of about \$135,000 now stand-

ing to his credit. Mr Keene was freely congratulated by scores of gentlemen in the clubbouse and paddock. There is no doubt that the success of his horses have greatly cheered the veteran financier, who has been an almost daily attendant at the races since the beginning of the season.

DURYER ENTRY FAVORITE. E. R. Thomas added St. Valentine to the list of starters in the Great Republic making eight in all. The Duryea stable's Mercury and Aceful were favorites at 11 to 5, while as good as 10 to 1 could be had against Delhi, which was one of the most surprising things connected with the race, Mr. Keene saying the colt ought to be favorite.

Pittsfield, Mass., Aug. 6 .- Miss Emilie F Brewer, sister of Associate Justice David Brewer of the United States Supreme Court, has won a fight against the tele phone company, which had secured a permit to place a pole near the entrance of the Brewer home in Stockbridge.

The Deputy Sheriff of Stockbridge ordered Miss Brewer's removal, and she was carried to her house. There she in turn ordered the officer from her property and went back to her station near the hole. There the linemen and Selectmen found her still holding her position.

Finally they agreed on another location for the pole across the street, and Miss Brewer retired. mit to place a pole near the entrance of
